Dear Mahindra,

With reference to your application and subsequent written test and interviews with us, we are pleased to enroll you into the three months **'Certification Program in Software Engineering' (CPSE)'** program, for **Java full stack**, in our Chennai facility starting from **October 7th 2025.**

The terms and conditions related to this training are as follows:

OBJECTIVE OF THE PROGRAM

The CPSE program is a holistic employability development program, tailored to develop the competencies of fresh graduates to become sought after IT professionals. It will cover various aspects of Software Engineering with Java or Microsoft Dot Net Technology or Python, a real time project, with emphasis on hands-on learning and industry process orientation, communication and soft skills.

ASSESSMENT OF PERFORMANCE

Your performance will be assessed regularly throughout the training by means of evaluation tests, mini projects, assignments and a real time project. You are required to be regular and punctual for all the sessions of offline classes, following the timing from 9AM to 6PM, from Monday to Friday (All Saturdays and Sundays are holidays) andensure active participation. No retests will be conducted in case of absence in any of the evaluation tests. In addition to the above, you will be required to assist in various software development, maintenance and training activities identified by the management, which will also serve as criteria for your performance evaluation.

PAYMENT SCHEDULE

You will be required to pay a sum of Rs.40,000/- (Rupees Forty Thousand Only) towards the partial cost of conducting this program (the estimated cost is much higher than the actual training fee)

The detailed breakup of the payment schedule is as follows:

Option 1:

One-time payment of Rs. 40, 000/- while enrolling for the program.

Option 2:

Registration fee of Rs.10000/- should be paid before commencement of the program.

Installment 1 - Within the first fifteen days of the training Rs.15, 000/-
